

# GETTING IT “ALL IN”

February 10, 2008  
Reading Recovery  
Intermediate 3-6  
Jeanne Falter

## Enduring Understanding

Participants will understand that curriculum mapping is a valuable tool for integrating the content standards with literacy.

“Working smarter not harder.”

## Essential Questions

How can I make sure that what I am teaching is aligned to the curriculum/standards?

- Unpacking the standards
  - Know (noun)
  - Be able to (verb)
  - Specific lessons, activities or units
- Identifying the power indicators

How can I get the standards into an understandable and manageable system?

- Clustering content and literacy indicators
- Planning for assessment
